## COMMISSIONERS' REPORT

---

In accordance with the Public Statutes of the State of New Hampshire, the commissioners of Rockingham County herewith present the annual reports of the county commissioners, clerk of the Superior Court, sheriff, solicitor, superintendent of the farm and house of correction, farm physician, farm chaplain, Portsmouth Jail physician, and auditors for the year ending December 31, 1925.

As the commissioners hark back over their work for the year past, it seems to have been one of general improvement to the property in their custody, belonging to the inhabitants of Rockingham County, and great pleasure is taken to report that at the County Hospital at Brentwood a fine new porch has been added, thus filling a long-felt want by the patients confined therein. Now it is possible for many of them to be wheeled out and allowed to get the benefit of fresh air and sunshine without too much exertion to the invalids. Also, if deemed advisable, during the heated period, cots may be made up for the patients and they can remain in the fresh air over night.

At the boiler house, a new boiler had to be replaced, as the old one was condemned.

At the cow barn the latest Lowden stanchions have been installed on one half of one side of the barn, and it is hoped that the other side may be so fitted out the coming year, thus fitting the barn up in a first class manner.

The interior of the Records Building at Exeter has been thoroughly renovated, and with its new paint and much needed improvements has been made very inviting.

The Portsmouth Court House has also received its share of restoration; for this a special appropriation was granted at the last session of the County Convention. The roof and the mason work on the exterior of the building received much

needed attention, and the interior of the building has been re-painted, a new room with private toilet furnished for the court stenographer, new telephone booth established, and all the private rooms of the county officials freshly painted.

Work has also begun on the new bridge between Stratham and Newfields, known as the County Bridge, and while it will be several months yet before its completion, nevertheless, the spring will see a great improvement over this highway.

Visitors are welcome at the farm, and the selectmen of the various towns are especially invited to meet with the commissioners upon any Wednesday when they are in session and the buildings inspected.

Thanking the selectmen of all the towns and all others who have in any way given their co-operation for the betterment of Rockingham County.

We remain, very truly yours,

WILLIAM B. UNDERHILL,  
SHERMAN T. NEWTON,  
GEORGE A. CARLISLE,

*Rockingham County Commissioners.*

## PHYSICIAN'S REPORT

---

*To the Honorable Board of Commissioners for Rockingham County:*

I hereby submit my annual report as attending physician to the County Institution at Brentwood for the year ending December 31st, 1925.

Clinically it has been a very busy year, with many long drawn out and distressing cases requiring the attention day and night of our most kind and efficient nurse, Miss Lord, and Mr. Kendall, who has acted as orderly.

It would seem that more than usually cases came in only to spend the last few hours or days. Seven lived less than two weeks and three less than one day after admission.

The sanitary condition and business administration have been kept up to the usual point of excellency by our superintendent and matron, Mr. and Mrs. Fred Rand.

The porches erected last spring on the north exposure of the hospital proved all we anticipated and a great comfort during the hot months, not only to those who were out there on beds, but unexpectedly and wonderfully improving the ventilation of the rooms and wards by lowering the temperature several degrees.

To your board for everything asked for and to the entire staff for hearty, cheerful assistance I am deeply grateful.

Respectfully submitted,

A. W. MITCHELL, M. D.

## CHAPLAIN'S REPORT

---

BRENTWOOD, N. H., January 1, 1926.

*To the Honorable Board of Commissioners of Rockingham County:*

*Gentlemen:*—I herewith submit my report as chaplain of the Rockingham County Farm for the year ending December 31, 1925.

Again I can say we have by preaching, personal ministration and prayer, tried to render worth while service to the inmates, with reasonable degree of success.

Personal words have come again and again to us that we have been of real aid in spiritual uplift and restoration.

The attendance has been splendid, considering that the services are entirely voluntary.

Indeed the average service at the farm, we believe, will compare favorably with that of any of our local churches, both in attendance and interest.

Respectfully submitted,

THOMAS C. BREWSTER, *Chaplain.*

## JAIL PHYSICIAN'S REPORT

---

PORTSMOUTH, N. H., January 1, 1926.

*Sheriff Ceylon Spinney, Portsmouth Jail, Portsmouth, N. H.*

*Dear Sir.*—The inmates have in general enjoyed excellent health during the past year. One elderly patient was sent to Concord on account of weak mental state.

During the year several cases of bronchitis, tonsilitis, rheumatism and pleurisy have been treated with excellent results.

One patient, with strangulated hernia, was taken to the hospital for operation; he made an excellent recovery.

The sanitary conditions of the jail are excellent.

My relations with the officials have been very agreeable and satisfactory.

HERBERT L. TAYLOR,

*Jail Physician.*

## SOLICITOR'S REPORT

---

After the filing of my last annual report opportunity to be of service to the state presented itself to me. To accept this opportunity it was necessary that my connection with the solicitor's office be terminated. This occurred on February 4, 1925.

In the thirty-five days which had elapsed at that time the presentation of the cases to the Grand Jury and the arraignment of the respondents was accomplished. Those who pleaded to the indictments were disposed of by sentence. As there were but twelve indictments at that term, all of which were of a minor nature, there is very little for me to report except that immediately following the date above-mentioned the affairs of this office were transferred to the present solicitor, Stewart Everett Rowe, of Exeter.

The performance of the duties of this office have been made pleasant because of the generous extension of courtesies and assistance on the part of the people of this county, the officers of the towns and the officers of the county, for which I wish at this time to express my sincere appreciation.

Respectfully,

JEREMY R. WALDRON, *Solicitor.*

## SOLICITOR'S REPORT

---

The solicitor respectfully submits the following report for the year ending December 31, 1925:

On February 17, 1925, upon appointment by the Superior Court, I took office as commissioner to perform the duties of the office of county solicitor, County Solicitor Waldron having resigned to become attorney-general. Thus as commissioner I served until April 1, 1925, when I assumed office as solicitor, for the regular term beginning on that date.

Two terms of Superior Court have been held during the above period I have been in office. Chief Justice Oliver W. Branch presided at the April Term and Associate Justice William H. Hoyt, of Portsmouth, was clerk. Lester E. Williams, of Exeter, was foreman of the October Grand Jury and John H. Greenaway, of Portsmouth, was clerk.

The following list of criminal actions have been before the Superior Court for disposition and were disposed of as follows, since I have been in office, and for the period covered by this report:

It may be wise to explain the foregoing abbreviations: J. T. stands for January Term. Ent. stands for entered. A. T. means April Term. Ind. signifies indictment. Inf. refers to

the legal document called information, a means by which offenders are brought before the Superior Court. O. T. means the October Term. Mitt. is the short form for mittimus, which is the name of the document which orders the committing of a prisoner to jail or prison. The word, Appeal, means that the case came before the Superior Court through an appeal from some Municipal Court. The letter v. is the shortened form of against.

This above list of cases does not contain mention of those actions, approximately thirty in number, which, through reasons which seemed to the Court and the solicitor, compelling and cogent, were dropped, dismissed or otherwise disposed of along those lines. Neither does this list recite the strikingly large number of death cases which I have investigated in co-operation with the medical referee and sheriff, nor the indeed numerous instances of happenings which were reported to me and to which I was glad to give my personal attention, in exactly the same manner that I attended to the regular routine of my office and the before-mentioned list of prosecutions. From time to time I have also legally advised county officials.

In the discharge of my official duties, it has been my honest endeavor to obey the Constitution and to respect and uphold each and every law, without fear or favor. I shall continue so to do!

STEWART EVERETT ROWE,

*County Solicitor.*

It is with pleasure that I report that the indexing of the old cases in this County has been completed.

The records on file here date from 1771 to the present time. The index has been made by periods as follows:

1771 to 1819 inclusive	
1820 to 1849	“
1850 to 1879	“
1880 to 1900	“
1901 to 1905	“
1906 to 1919	“

This work involved the handling, sorting and arranging of over 112,000 cases and, as many of the cases have several papers and as several parties are involved in the same case, it will give some idea of the amount of time and patience required to complete this work which has been going on for several years as the time could be spared from the regular work of the office.

The thorough manner in which this work has been done does great credit to my predecessor, the late Charles H. Knight, and his able assistant, Mrs. Katherine D. Leavitt.

We hear much about the amount of litigation in this age, and the readers of the county reports may be surprised to know that years ago all people were not good. In the period from

1771 to 1819, inclusive, 49 years, there were over 47,000 cases or over 950 per year. From 1820 to 1849, inclusive, 30 years, there were over 800 cases per year.

From 1850 to 1879, inclusive, a period of 30 years, there were over 16,000 cases, or an average of a little over 500 cases per year. From 1880 to 1900, inclusive, a period of 21 years, over 12,000 cases, or an average of over 400 cases per year. From 1901 to 1919, inclusive, a period of 19 years, over 11,000 cases or an average of over 600 cases per year.

From the above, it will be seen that there were more cases per year in the period from 1771 to 1819 than during any other period up to 1919. The period from 1880 to 1900, the average for cases swings to the lowest point with an average of a little over 400 cases per year. The last period from 1901 to 1919, with an average of a little over 600 cases per year, is not a bad showing, when we take into consideration the changed conditions of the times and the increase and decrease in population.

In the period from 1771 to 1819 they had no injury to passengers on railroad trains or electric cars, no grade crossing accidents or automobile collisions, but they were able to produce nearly 1000 cases per year.

The foregoing records, I think, show that the citizens of Rockingham County need not worry much over the conditions of the present day.

It is with deep regret that I announce the resignation on December 31st, 1925, of Mrs. Katherine D. Leavitt, who has been a faithful assistant in this office for a period of 26 years, and her absence will be missed and regretted by all who have occasion to visit this office and knew her during her stay here.

Respectfully submitted,

A. S. RUNDLETT,

*Clerk of the Superior Court.*
